Welcome to Soar Valley Public School

Mahatma Gandhi said "By education, I mean an all round development drawing out of the best in the child and man in body, mind and spirit". Education aims at making children capable of becoming responsible, productive and useful members of society. Knowledge, skills and attitudes are built through learning experience and opportunities created for learner in school. We at Soar Valley Public School Pithoragarh prepare the students to meet the challenges of life and mould them into civilized and better citizens. We help the students to identify their talents and develop it to the optimum. We ensure that our students are exposed to the right.

Teaching Methodology

At Soar Valley Public School Pithoragarh our teaching methods are designed to fulfill the future needs. Our teachers have to employ a variety of teaching strategies in the classroom and are trained to listen to the voice of the learner and bring out the best in each child. They also actively engage them in interactions. This is achieved through group work and whole-class instructions, which can be very active if it involves open discussion and learners responding and presenting rather than the teacher constantly lecturing.
